Jansahyog Report

by

Pervin Jehangir and Suhas Kolhekar

October 2004.

Two rounds of grain distribution are over now. Between July 14th and 23rd, the first round of grain distribution was done to 98 families of which 13 families were from Alirajpur tehsil, Jhabua district, M.P., 13 from Akrani tehsil and 72 families from Akkalkuva tehsil, both Nandurbar district, Maharashtra. In August 2004 another 60 families were covered in Akkalkuva and Akrani tehsils in Maharashtra. The kinds of grains distributed include Makkai, Jowar, Urad, Chana and Chawali.

Additionally, 100 plastic sheets/ tarpaulin were distributed to those families whose houses were severely damaged in the rains and who needed shelter from the onslaught of heavy rains.

Challenges

The process of distribution is still in progress. Difficulties in transporting the grains in the Valley and shortage of human resources are some of the hurdles we need to overcome soon. A definite assurance of financial support will help us to reach out to all those who are severely affected. That will be also be a gesture from our part that we respect their determination to struggle.

Appeal

We appeal you to be a part of Jansahayog. We also appeal to you to pass on the message and introduce your friends also to Jansahayog. Rs. 5000 to sustain a family for 6 months is affordable for many families.

**They faced it but with courage and your support. Jansahayog is their life-line.
Thank you, and be with us!**
